In these challenging economic times Club Managers are under greater pressure than ever from their committees, owners and members to create and implement business strategies that guarantee the continued success of their clubs.

Club Secretaries/Managers invariably come into the industry with some strong skills sets brought with them from a previous career, and this comprehensive training programme can now supplement these in each of the core competency areas of the modern club manager:

- **CLUB GOVERNANCE**
- **ACCOUNTING & FINANCIAL MANAGEMENT**
- **STRATEGY & LEADERSHIP**
- **GOLF, SPORTS AND RECREATION MANAGEMENT**
- **FACILITIES MANAGEMENT**
- **MEMBERSHIP & MARKETING**
- **HUMAN RESOURCES & PROFESSIONAL RESOURCES**
- **INTERPERSONAL SKILLS**
- **FOOD AND BEVERAGE MANAGEMENT**
- **STATUTORY COMPLIANCE**

PART 1

The first week-long residential course provides best practice in each of these core areas of the club, and is designed to enhance a managers knowledge so that they may better serve their club committee, owners and members. At the end of the week, those taking the course will have an excellent grasp of the basics in every area of club business, and will have established a valuable network of support for their career in this industry.

PART 2

The Part 2 course is also a week long and builds on the foundations of Part 1 to focus on strategic and business planning, performance and service standards, and the professional and communicative skills to develop every aspect of both the individual's performance and that of their club. At the end of Part 2 there is an optional examination to attain the CMAE Diploma in Club Management.

PART 1

COURSE CONTENT

The curriculum and learning outcomes have been provided by the Club Managers Association of Europe and this training course is endorsed by the Club Managers Association of America as part of the educational pathway to the Certified Club Manager (CCM) qualification.

CLUB GOVERNANCE

The structure, the process and the politics. You will explore best practice in this area and discover the common traits of the most effective volunteer committees.

MARKETING IN CLUBS

Gone are the days when a club could afford to ignore the opportunities presented by effective marketing campaigns. Whether your club is aiming to recruit members or attract visitors, this course will give you the basics of that plan, considering current trends, modern social media and the use of demographic tools.

STATUTORY COMPLIANCE & RISK MANAGEMENT

To help you sleep peacefully at night you need to know that you have all the basics covered with regard to Health & Safety, Employment Law and many other legal hurdles facing your club. Experts, familiar with private clubs in each of these areas of law, will be on hand to give you the knowledge that will help keep you and your Club out of court.

THE FOOD & BEVERAGE BASICS

Whether your operation is in house or outsourced, there is far more focus on this area of the business than ever before. Gaining knowledge of stock control, menu construction, bar set up and industry standards will enable you as a modern manager to balance the conflicting demands of delivering great food at bargain prices.

INTRODUCTION TO CLUB ACCOUNTING AND BUDGETING

Financial Management is the most common competency area to trip up a Club Manager. This session will begin to build your knowledge, credibility and most importantly confidence so that you are better prepared to handle financial statements such as the profit & loss, balance sheet and budgets.

THE IMPORTANCE OF SERVICE IN PRIVATE CLUBS

In this competitive environment there is always a competitor willing to look after your customers. You will learn how to guide your staff so that they react correctly in those million opportunities they have to impress a customer this year, and remind members why they should renew their subscription this winter.

MANAGEMENT & DELEGATION

There is only one of you, so how can you create a supportive environment to help manage change in your club? You will learn what are the do's and don'ts of effective delegation in a club.

The curriculum and learning outcomes have been provided by the Club Managers Association of Europe and this training course is endorsed by the Club Managers Association of America as part of the educational pathway to the CCM qualification.

A BUSINESS PLAN FOR YOUR CLUB

Few clubs have carried out a comprehensive analysis of their businesses to enable them to create a business plan. This course will provide you with the tools to do so, and a simple action plan for taking strategic thinking and business planning into your club.

SUCCESSFUL COMMITTEE STRATEGIES

Having clear direction and measurable goals for your club to pursue are key outcomes of this course. The other essential component for success in your career is to ensure that you have the support of your club committee and members. Learn the 18 lessons that have served successful managers well at successful clubs.

COMMUNICATION AND INFLUENCE

Communicating a vision for the club and implementing a strategic plan will require enhanced communication and influencing skills. This course will provide a strategy for building relationships in your club at every level to secure the sustainable success of the organization under your leadership.

LUMINA SPARK

“Lumina Learning” maintains a global network of practitioners who specialise in helping individuals to identify areas of underlying strengths, and make personal development plans to improve their performance and relationships in and out of the workplace. Club Managers across the globe have evaluated the Lumina Portrait as one of the most illuminating sessions within the MDP curriculum.

MANAGING PERFORMANCE

This session will allow you to evaluate the benefits of performance review at your club and provide you with a structured template system and action plan for immediate implementation. For clubs with a system in place, this session will enhance and re-energise your current practice and thereby improve employee engagement.

CONDUCT OR CAPABILITY? INVESTIGATING UNDER PERFORMANCE

Your staff handbook can guide you through the disciplinary or grievance procedures at your club which negatively affect your business. However this session will teach you to address issues before they reach a crisis by showing you how to conduct the essential unbiased investigation aimed at positively supporting staff who may be currently under performing.

SERVICE STANDARDS

Managers will discover how to identify and set measurable front of house customer service standards. Delegates will ascertain how to use customer feedback to help set and maintain those values and how to implement an assessment programme to monitor the staff adherence.

MANAGING CONFLICT

This session will raise the managers' understanding of the background to conflict and the behaviours they can personally display to prevent escalation of those issues which ultimately devour precious time and focus. Managers will learn to recognise their own physical and emotional signals, to help them maintain composure no matter what the source of conflict at the club while choosing to adopt a variety of positive protocols and processes.

TIME MANAGEMENT

As the manager is expected to be the "Jack of All Trades" in their club, this course will help improve personal effectiveness through better management of personal resources. Delegates will identify barriers to their effectiveness caused by themselves and others and employ practical techniques to improve productivity and performance.

PRESENTATION SKILLS

The modern club manager will have many opportunities to influence the direction of the club, including committee meetings, presentations to partners and the club's AGM. This course will provide you with the skills required to communicate your message, and provide you with the opportunity to reflect on your delivery style in a safe environment.

CASE STUDY

Throughout the week of the course delegates will explore a typical club scenario in small workgroups and be invited to share their evolving views on the challenges facing this fictitious club, based on the personal learning outcomes of each education session.

REPORT WRITING

Effective committee meetings are reliant on good preparation, including well written reports from the Club Manager. This course will teach those skills, help you select your preferred writing style, and introduce you to decision making tools to help support your recommendations.

OPTIONAL DIPLOMA EXAMINATION

Having attended both Parts 1 & 2 of this programme, managers who wish to secure the CMAE Diploma in Club Management may sit this optional examination. Having presented on the case study, candidates sit a one hour multiple choice examination which is based on the learning outcomes from both courses and some typical experiences facing a modern club manager. The final objective is to show that the theory learned during these two courses have been successfully applied in the workplace by completing a work based assignment of the candidates' choosing which is a current and relevant challenge facing the manager at their workplace.

RULES OF ATTENDING AN MDP FOR CMAE

When attending a Manager Development Programme for CMAE there is a demand of being present in the room during the 5-day programme. A delegate needs to attend each session in order to get credits for the entire week.

Expected circumstances

If a delegate knows that he/she will be away for any reason during the week (more than 1 minute), he/she needs to inform the facilitator before starting the course on day 1. It could be communicated with the CMAE office and in certain cases rules could be agreed upon between CMAE and the delegate to make up for the lost time due to the expected circumstances. More than 60 minutes will be dealt by on individual basis depending on what day of the week and the content of that day. Decision will lie with Director of Education.

Unexpected circumstances

As problems/issues can happen during 5 days (or before and after), the delegate might have unexpected circumstances with health issues, transport or family problems that must be dealt with. In those occasions, MDP facilitator will be responsible to make a plan together with the delegate to solve any issues that might occur from this unexpected issue.

Leaving early / Arriving late

CMAE is running a 5-day-programme and you are expected to attend from start to finish. The delegate must look at the starting time as well as the finishing time and is not allowed to leave early (or arrive late) because of then disturbing the education and all delegates on the course. If something is planned - see "Expected circumstances". Travel problems - see "Unexpected circumstances".

Consequences of not attending

If for any reason not communicated before or see "unexpected circumstances" the delegate misses more than 60 minutes of the content, he/she will not get the certificate for the week.
