FIVE KEY MODULES

DELIVERING

FIVE KEY ELEMENTS

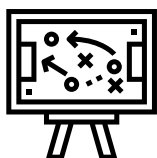

This 2 day workshop has been exclusively designed to deliver:

A **template** that will equip Club Managers and Boards to meet the unprecedented challenges of operating through a Pandemic.

A **process** which will enable the Club to successfully navigate the Recession

Ability to create a **strong, resilient framework** which will deliver to its members all the benefits of a healthy, prosperous and fully functioning Club post recession.

The workshop is built around 5 core modules each of which will deliver 5 key elements. This will ensure the webinar is relevant to Clubs of every type, every size and in every location.
