CENTRAL & EASTERN EUROPE
2010

Warsaw, September 13th-15th, 2010

2ND EDITION OF

Golf Investment & Development Conference in Central & Eastern Europe 2010

In terms of the golf industry development the Central and Eastern Europe is an extremely dynamic region.

New investments, continuously increasing number of new golf union members every year, and thus, new enthusiasts of the sport; create great prospects for the future of the golf market in the region.

Taking into account the dynamic development of the industry we would like to offer a unique platform for business meetings through the second edition of the Golf Investment & Development Conference in Eastern and Central Europe. In a friendly atmosphere we will all take a close look at the situation of the golf industry in the region.

The 1st edition of the event took place in 2009 and was designed to promote the development of golf in Poland and allow the industry representatives to

meet and exchange experiences and contacts. It was a great success and created many fruitful business relationships.

The theme of the conference organised between the 13th and 15th September 2010 in Warsaw will be an analysis of the potential for golf industry development in Central and Eastern Europe. The 2nd edition of the Golf Investment & Development Conference in Eastern and Central Europe is a unique opportunity to learn about the current trends and forecasts for the market development in the area. The discussions and presentations will be focusing on the recent investment projects, financing methods and ways of implementing architectural proposals. The conference

will also examine the main areas of the golf industry, which determine the market development, namely tourism and associated with it recreation; golf as a sport; and projects of real estate development in golf course areas. World-class experts and specialists from the industry will share their experience while leading panel sessions and seminars. The participants will certainly particularly enjoy the discussion panels where they will be given an opportunity to exchange experiences and take part in debates with experts in various fields.

Regardless of whether you represent a golf industry leader or a small business related to this market, you cannot miss the 2nd edition of the Golf Investment &

Development Conference. We offer all participants a unique opportunity to meet together with investors and developers, leading architects and golf course and resort designers, golf course owners and managers, local authorities and representatives of organisations

supporting a development of golf, financial institutions and companies supplying equipment and technology for the industry. Therefore, invite your colleagues and contractors, schedule the event in your calendar and book a place now.
