RULES OF ATTENDANCE

When attending a Management Development Programme for CMAE there is a demand of being present in the room during the 5-day programme. A delegate needs to attend each session in order to get credits for the entire week.

Expected circumstances

If a delegate knows that he/she will be away for any reason during the week (more than 1 minute), he/she needs to inform the facilitator before starting the course on day 1. It could be communicated with the CMAE office and in certain cases rules could be agreed upon between CMAE and the delegate to make up for the lost time due to the expected circumstances. More than 60 minutes will be dealt by on individual basis depending on what day of the week and the content of that day. Decision will lie with Director of Education.

Unexpected circumstances

As problems/issues can happen during 5 days (or before and after), the delegate might have unexpected circumstances with health issues, transport or family problems that must be dealt with. In those occasions, MDP facilitator will be responsible to make a plan together with the delegate to solve any issues that might occur from this unexpected issue.

Leaving early / Arriving late

CMAE is running a 5-day-programme and you are expected to attend from start to finish. The delegate must look at the starting time as well as the finishing time and is not allowed to leave early (or arrive late) because of then disturbing the education and all delegates on the course. If something is planned – see “Expected circumstances”. Travel problems – see “Unexpected circumstances”.

Consequences of not attending

If for any reason not communicated before or see “unexpected circumstances” the delegate misses more than 60 minutes of the content, he/she will not get the certificate for the week.
