OVERVIEW OF STRATEGY & LEADERSHIP

MDP 3 Strategy and Leadership is aimed at those managers who wish to learn how to enhance their management style and tap into their leadership potential in order to operate the club as a business.

Delegates will understand the responsibilities and characteristics required to exert the appropriate levels of power and influence so that their club can develop its creativity while focusing its strategic aims in line with its established culture and traditions.

Particular attention will be paid to establishing and enhancing an effective working relationship with the Committee, whilst mentoring, developing and leading the staff team. Delegates will also be invited to review their knowledge in all competency areas required to achieve success at their club and in their career.

One key component included within the week's learning is the Lumina Traits and Leadership Assessment. "Lumina Learning" maintains a global network of practitioners who specialise in helping individuals to identify areas of underlying strengths, and make personal development plans to improve their performance and relationships in and out of the workplace. Club Managers across the globe have evaluated the Lumina Portrait as one of the most illuminating sessions within the MDP curriculum.

TESTIMONIALS

"After completing the CMAE MDP Strategy & Leadership, in addition to increasing the network of contacts, added value of CMAE, I learned significant notions about strategy, communication techniques and how to best organize your team to offer an excellent service. Always impressed from Lumina leader with Kevin Fish that gives the opportunity to develop your leader quality. My challenge is to be a good leader and MDP3 will help me along this path. - **Domenico Di Bari, Club Manager Barlassina Country Club**

"The MDP3 Strategy and Leadership course in Prague has been a game changer for me in terms of understanding the complexities of successful club management and leadership. The lessons learnt during this course will last a lifetime and have challenged the perceived paradigms associated with a common way of thinking and judgmental bias surrounding strategy. This was further enhanced by sharing this week with likeminded professionals who are all striving to accomplish personal growth in the industry" **Mike McKenna, Deputy General Manager, Amata Springs Country Club**

"A fantastic week of learning at MDP Strategy and Leadership with great insight passed from the best in the business. As with all MDP courses, the subject matter, the sharing of experiences and the networking are essential for any successful club manager serious about progressing in the industry" **Phil Jones – Director of Projects, Golf Saudi**

MDP Strategy & Leadership in Prague was a superb week. These weeks, apart from the great education and networking opportunities, simply challenge your mindset and thinking. The Lumina Leader session was a particular highlight and one that has given me much to think about both now and in the future as I develop in the industry." **Charles Molony, Assistant Secretary, Royal Cinque Ports Golf Club**

RULES OF ATTENDANCE

When attending a Management Development Programme for CMAE there is a demand of being present in the room during the 5-day programme. A delegate needs to attend each session in order to get credits for the entire week.

Expected circumstances

If a delegate knows that he/she will be away for any reason during the week (more than 1 minute), he/she needs to inform the facilitator before starting the course on day 1. It could be communicated with the CMAE office and in certain cases rules could be agreed upon between CMAE and the delegate to make up for the lost time due to the expected circumstances. More than 60 minutes will be dealt by on individual basis depending on what day of the week and the content of that day. Decision will lie with Director of Education.

Unexpected circumstances

As problems/issues can happen during 5 days (or before and after), the delegate might have unexpected circumstances with health issues, transport or family problems that must be dealt with. In those occasions, MDP facilitator will be responsible to make a plan together with the delegate to solve any issues that might occur from this unexpected issue.

Leaving early / Arriving late

CMAE is running a 5-day-programme and you are expected to attend from start to finish. The delegate must look at the starting time as well as the finishing time and is not allowed to leave early (or arrive late) because of then disturbing the education and all delegates on the course. If something is planned – see “Expected circumstances”. Travel problems – see “Unexpected circumstances”.

Consequences of not attending

If for any reason not communicated before or see “unexpected circumstances” the delegate misses more than 60 minutes of the content, he/she will not get the certificate for the week.
